## Experience:

### **Owner, Web master, Print Designer, Photo Editor**

January 2005 - Present

jparks design, Sequim, Wash.

As a Web designer I am responsible for the design and production of Web sites, creating template designs, editing content and managing domains. I manage updates to the various Web sites and am responsible for the site's navigation, cohesiveness and user-friendliness. As photo editor, I am responsible for portraying the picture in its best form without altering reality. I am proficient in Photoshop, InDesign on both Mac and Windows operating systems. I hand code all html, php and css. I have experience with Flash, Illustrator and FreeHand, and am experienced in Quark, Microsoft Office and WordPerfect.

### **Web master, Network/System Administrator, Print Designer, Photo Editor**

June 2002 - November 2004

Batson Enterprises, Sequim, Wash.

As a print designer I was responsible for the design and production of banners, posters and catalogs. I designed and paginated an 80-page catalog. I gathered and organized the content, performed all the Photoshop work on hundreds of photos and created the layout using InDesign.

### **Web designer**

November 2000 - June 2002

AGS, Port Angeles, Wash.

As a Web designer I was responsible for the design and production of Web sites. I designed many sites for individual state's camping associations. I used Photoshop extensively to create the template for the sites and for all photo work.

### **Photo Desk, System/Network Administrator, Web master**

May 1998 - February 2000

Times-Standard, Eureka, Calif.

I started at the Times-Standard working on the photo desk. At the photo desk I was responsible for editing and preparing all photos for print as well as creating section fronts for special tabs. Later, I was asked to put together a Mac network using Baseview. I ordered the computers, organized the wiring and implementation of the network. I also maintained and monitored the network to ensure efficiency and reliability. I was responsible for the creation of advertising tabs.

## Education:

August 1995 - May 1998

Humboldt State University, Arcata, Calif.

Bachelor's degree in journalism with an emphasis in news editorial. Graduated Cum Laude.
